

ELYSIAN SAFARIS

ELEGANT ADVENTURE | 2027

ZIMBABWE • JUNE & SEPTEMBER 2027

At Elysian Safaris, our expeditions transform twelve years of continental expertise and deep family roots into absolute trust. We design exclusively for those who wish to breathe in the pure and sublime soul of Africa.

Here, we present **The 10-Day Host's Expedition to Zimbabwe**, personally accompanied by founder and director, Michael Fortin. This rare path whispers through Vumba's mist-shrouded coffee plantations, tracing the dramatic, seductive plunge of Africa's second-highest waterfall. It pauses for the quiet indulgence of a historic colonial estate and spa, and culminates at Chilo Gorge—where the wild remains absolute, untamed, and entirely yours to possess.

Limited to four couples per trip, with only four departures (two in June, two in September). **The comprehensive day-by-day itinerary and curated investment details await you at the conclusion of this lookbook.**
